

Jeremiah 29:11 Jude 24,25

May 2012

May Madness

← Prep, prep and more preparation for summer camping season! Thank you for your prayers!

It's Sunday afternoon and I just got back home after spraying the weeds on the camp property. What a blessing to have enough moisture for the weeds to grow;-). Gotta have a sense of humor;-)

It all comes with the territory of running a camp and having property to manage and maintain. We are so thankful that God has entrusted us with this wonderful property to use to advance His Gospel message!

This month most of our focus will be on finalizing our summer staff and promoting. We have plenty of camper slots open. Early registration discounts are still in effect. If you don't have campers of your own maybe pray about sponsoring someone from your neighborhood that needs to hear the Good News! We have a great lineup of speakers this year that every age student will enjoy.

Graduations are hot and heavy in our area this month. Pray that as we attend these events we would bring the sweet essence of the Gospel with us and many would see Jesus in our lives. Pray for our graduates as they prepare for the next stage of their lives. Pray that they would be obedient to God's plan for their life.

What's happening at the Cleavers?

This Wednesday, April 25th, I fly to Wisconsin to be a quizmaster at the National Bible quiz tournament. On May 10th I will fly back to Wisconsin to the annual Bible Quiz Fellowship meeting. Then I get to stay home!!! On the 19th we will be holding our annual quiz committee meeting. Meanwhile prepping for the summer in our spare time.

Last month we told you we were going to pick up a couple of horses for camp. We did and one of them is going to work out great! Thank you for praying! Continue to pray for Sonja and all the horse volunteers as they put together the herd for this summer. While I was spraying this afternoon, Sonja and two volunteers were riding horses getting them ready for the summer.

Amanda's pregnancy continues to go well. She is scheduled to have a c-section on June 22nd. Keep her, Aaron and Gracie in your prayers.

Pray also for our personal support. We have seen a dip the past couple of months that has caused us to have a short paycheck. We are so grateful for all of you who pray and sacrificially give! We know that God will take care of all our needs! He is faithful!

Thank you for serving the King alongside us! Rick and Sonja Cleaver
